

For tracking corona infections

Register guests digitally and easily

KONTAKT
THE EGO COMPANY
Pappelallee 78/79
10437 Berlin
hi@myego2go.de

Your customers' contact details can be easily
and securely collected using our ID card scan.

fast – paperless – data protection compliant

Imprint: The Ego Company GmbH | Pappelallee, 78/79 10437
Berlin | Handelsregister: 205097 B | Tanja Ludwig

For your guest

IN 3 STEPS

STEP 1

Your guest scans the individual QR code and starts the myEGO web application

STEP 2

Your guest enters the necessary data digitally by scanning his ID card

STEP 3

Your guest submits the necessary contact data, which you can easily read out in the myEGO web portal

Your benefits

AT A GLANCE

SECURE

Your customer records his data by scanning his ID card - so no guest can impersonate "Donald Duck" anymore. The data is encrypted and automatically deleted after the legal retention period of 4 weeks. This creates transparency and security for your guest - no paper - no stomach ache on the subject of document destruction.

FAST & EASY

Our product can be used without installation on the smartphone. By scanning the QR code, the customer can register with you digitally. In doing so, you get error-free contact information and save the customer from filling in his information manually.

HOW IT WORKS:

1. Register for free on www.myego.io/covid
2. Receive QR code for your company
3. Start registering your guests digitally

If you have any questions, you can reach us directly at hi@myego2go.de.
